

St. Tammany Reopening Plan Continuum

Phase 0 with Extended Executive Order (May 1 – May 15 or TBD): Red Phase	
Individuals	<ul style="list-style-type: none"> • Individuals may go to the grocery store, pharmacy, medical appointments, restaurants for takeout only, retail stores, and care for family/friends. • Individuals may not visit hospitals and nursing homes, gather in groups of more than 10, fail to maintain social distancing of six feet, or make non-essential trips outside the home.
Employers/ Businesses	<ul style="list-style-type: none"> • All operating essential businesses and non-essential retailers across all industries should be following the following basic guidelines: <ul style="list-style-type: none"> ○ Employers will require employees to wear masks or face coverings ○ Customers/clients are strongly encouraged to wear masks or face coverings ○ Places of business should consider checking temperatures of employees before entering onsite workplaces ○ Places of business should consider checking temperatures of individuals before entering ○ Hand sanitizer available at the entrance of each place of business including retail stores, gas stations, banks, etc. ○ Places of business will sanitize all frequently touched areas (including fuel pumps, door handles, checkout counters and credit card readers, bathrooms, etc.) no less than once a day or at shift changes. In addition, businesses are encouraged to eliminate as many touch points as possible for items such as doors, trash cans, etc. ○ Places of business will sanitize shopping carts and baskets after each use ○ Individuals are to remain at least six feet apart from other individuals at all times ○ Places of business should mark flooring with tape or other indicator where individuals wait to be served ○ Retailers are to add plastic shields/barriers between cashiers and individuals at checkout counters as an extra level of protection. ○ Places of business should reduce their capacity, either by a fraction of total capacity or based on square footage, i.e. one individual per 113 square feet (that represent the six-foot radius for social distancing) and 25% of the Fire Marshal's capacity limit. ○ Places of business should post all COVID-19 guidelines in conspicuous places such as at entrances, checkouts, on websites, and social media to make the public aware of precautions. ○ Non-essential businesses (including retailers) that are not specifically referenced as restricted in the existing Executive Stay-at-Home Order may operate by adhering to the above essential business guidelines, maintaining strict social distancing and the 10 customer per store limitation.
Other	<ul style="list-style-type: none"> • Time-sensitive elective surgeries can resume, as clinically appropriate, on an outpatient basis at facilities that adhere to CMS guidelines.
