### **St. Tammany Parish Government will Accept Christmas Trees for Recycling**

St. Tammany Parish Government will begin accepting Christmas trees to recycle for use in a cooperative effort with the U.S. Fish and Wildlife Service to rebuild the Big Branch Marsh. Trees can be brought to the Covington Fair Grounds at 1515 North Florida Street in Covington and The Old Levee Board Property at 61134 Military Road in Slidell, during daylight hours. Trees must be stripped of all decorations —ornaments, lights, tinsel, etc. and the stands must be removed completely to be eligible for the program. Flocked trees cannot be accepted at the drop-off sites as they cannot be used for the project.
