

## ST. TAMMANY PARISH

PATRICIA P. BRISTER  
PARISH PRESIDENT

### Statement of Intent Request for Funding - Public Health Grant 2017

Dear St. Tammany Parish Service Provider,

The St. Tammany Parish Department of Health and Human Services is seeking Statements of Intent from qualified non-profit, 501(c) 3 organizations for its Public Health Grant (PHG) Program. This year, we are accepting Statements of Intent from interested providers in lieu of requesting full proposals from all agencies and non-profit organizations. If your response to this Statement of Intent is determined to match St. Tammany Parish Government's vision, and fits the community needs criteria, we will invite full applications for new programs requesting program funding. Awards are pending the available funding in the 2017 budget.

The PHG is designed to serve needy residents of St. Tammany Parish with basic health, mental health, and wellness services. Proposed programs must be able to capture and report the demographic data of the program's recipients as required by the Parish.

The Statement of Intent form can be obtained by contacting John Tobin at [jtobin@stpgov.org](mailto:jtobin@stpgov.org) with the

Department of Health and Human Services. Please send the completed Statements of Intent to the same email due May 31, 2016.

Thank you for your interest in St. Tammany Parish PHG program. If you have any questions, please call our office at (985) 898-3074.

Sincerely,

John Tobin, CRC

Development Administrator of Public Health

Health and Human Services
